

# WORK WITH DATA SETS

<b>Team id:</b>	PNT2022TMID50250
<b>Project name:</b>	Analytics For Hospitals' Health-Care Data

## Loading the data set

The screenshot displays the IBM Cognos Analytics web interface. The browser address bar shows the URL `us1.ca.analytics.ibm.com/bi/7/perspective=content`. The page title is 'Content'. Below the title, there are tabs for 'My content', 'Team content', and 'Samples'. A blue banner at the top indicates '1 item selected' and provides actions: 'More +', 'Create', 'Details', 'Delete', and 'Cancel'. The main content area shows a list of files under the 'Project' folder. The files are:

- sample\_sub.csv
- test\_data.csv
- train\_data\_dictionary.csv
- train\_data.csv

Each file entry includes a 'Last Accessed' timestamp and a 'CSV' icon. The bottom of the image shows the Windows taskbar with the search bar and system tray.
